

# IRF 3200

## Built-in Induction Hob

### Product description

- Bevelled glass
- Modular induction hob
- Touch control panel
- Cooking time programmer
- Independent programmer of each cooking zone
- Power Plus Function
- Pan optimization system
- Pan detector
- Low temp function
- Security blocking
- Residual heat indicators
- 2 cooking zones:
  - 2 Flex induction 235 x 190 mm=235x395
  - Total nominal power: 3.500 W
- Country of origin: Turkey

### External Dimensions

- W 300 mm
- D 520 mm

### Electric Connection – Technical Features

Cable length (cm)	110
Power supply (v)	230
Maximum nominal power	3500
